## Projects

### Food Billing System (in Class 12)

**“FOOD BILLING SYSTEM”** This project is useful for big or small restaurants or clubs. It can track the record of customer, club members coming and using restaurant/club services.

Advent of digital age has enabled us to manage enormous amount of information at our fingertips and is hassle free. Our project to support the same notion and is easy to use with little knowledge. Our project emphasis on the creation of new customer details, managing customer information and applying offers on the basis.
